

Hello Parents (and grandparents),

Thank you so much for helping with WPTG Committees and activities. Your time and effort make Woods School a great place! Based on the information received to date, here is the 2011-12 organizing list.

Please confirm that your name is listed on the Committees you want to join, and that your contact information is correct. If there are any errors, we apologize! Please contact Tammi Wrzesinski or Monica Goebel and we will fix it. If you want to join a committee, it is not too late. Thank you again.
