

## **Woods School Green Club**

### **Our goals**

- ☺ Keep the reading garden beautiful by maintaining what we have, and adding new flowers and plants
- ☺ Support green projects and programs throughout the school

### **How you can help**

- ☺ Watch for emails about garden projects, and join us with your gardening gloves on (tulip bulb planting on November 16 from 2:00 – 3:00)
- ☺ Support our fundraiser
- ☺ Pack reusable containers for lunches
- ☺ Use steel bottles for beverages
- ☺ Compost at home
- ☺ Guide students as we start the compost program at school (parent help needed at lunch time the first two weeks of December – more details to follow)
- ☺ Reduce, reuse, recycle
